

Dear Parents/Guardians,

King Christian School is using an online tool to keep everyone connected!

Edsby pulls together up-to-the-minute information about each of your children and presents it in a clear, easy to understand and comprehensive format. You can see your child's assigned homework, attendance, and the specifics of what they're being taught in each class.

We invite you to get involved! Edsby will be the only place you need to visit in order to keep up to date on your child's school information and progress. Now is the time to ensure the school office administrator has your current and correct email address. If you want both parents to log-in you will need separate email addresses.

You will be sent an email with a link that can be used to customize your own password and get started. Whether you have one child attending our school or several you will use your individual parent account to log in and see information for all of your children.

Edsby also provides a free app for all smart phones and tablets. Just search for Edsby in the Apple Store for iPhones and iPads, or on Google Play for Android. If you're using a Blackberry or other device, Edsby works great within your browser, too. Having Edsby on your mobile device means you'll have up-to-the minute access to school information anywhere, anytime.

From both the Mobile app or from a web browser, the address to use is:
<https://kingchristian.edsby.com/>

Here is a helpful video for instructions to login.
<https://www.youtube.com/watch?v=e3P3ICcGN2Q&feature=youtu.be>

For additional helpful information on how to navigate Edsby please check out this link
<https://choosetwine.com/top-tips-for-parents-using-twine/>

To learn more please watch <https://www.edsby.com/how-edsby-helps/parent/>

We welcome the opportunity to provide you with online access to information that you may use to help your children be even more successful at school!

Maureen Jarvis
Principal
