

# ONLINE AUCTION: Class Baskets

Dear KCS Families,

The 80 Years Auction is quickly approaching and the committee is busy getting ready for a successful auction and event. We ask all parents to join together and help us make some amazing class baskets to auction off. Here's how it works: Each class is given a theme and each child is asked to bring in 1 to 2 items for the basket. Please see the chart below outlining the details with some ideas.

**Please send items to school with your child by Wednesday, January 18th.** Items can also be dropped off at KCS front reception. Thank you for your support.

**\*\*WE NEED BASKETS\*\***

**If you have a new/used good condition basket to donate (larger than 18") please send to the school.**
